

# Madison Rose Society

## Membership Application

We are people of all ages from the Madison area who enjoy growing the Queen of Flowers in all her splendid forms. We range from beginners with their first bushes to experienced rosarians of many decades. We are members of the North Central District of the American Rose Society which includes Minnesota and the Dakotas.

We meet at Olbrich Gardens or at member's homes for how-to's and tours. You can learn about new varieties of roses, get help for growing roses from our consulting rosarians, find out the best varieties for Wisconsin, find solutions for diseases and pests, and learn about flower arranging techniques.

To become a member, please fill in the information below, make a check payable to the Madison Rose Society for \$10.00 (annual family membership) and send to:
