Programs planned include: 1) New rose varieties, 2) Control and Prevention of Blackspot and Mildew, 3) Panel discussion on transporting roses to the rose show(or wherever) and 4) Rose Jeopardy!

We will also be offering our annual arrangement seminar. The seminar has been growing in popularity each year and is open to anyone interested in creating arrangements with their roses! The arrangement seminar will be Saturday 7-9 PM and Sunday 9-12 AM. The areas of focus are still under discussion but it will include creating your own containers, special tips to compete at the mini national in Milwaukee and more. For convenience, we will be ordering in pizza for dinner for those interested. More details regarding the arrangement seminar will be available soon.
